

Leonardo da Silva Irineu

C# Software Engineer

São José dos Campos, SP, Brazil | +55 12 99246-0071 | leonardo1692004@gmail.com | linkedin.com/in/leonardo-irineu-dev | leonardo-irineu-dev.vercel.app

PROFESSIONAL SUMMARY

Junior Software Developer with experience in C#, .NET, ASP.NET Core, VB.NET, SQL Server, PostgreSQL, Next.js, and Angular, working on enterprise systems and REST APIs.

Experience with ERP systems, system integrations, process automation, databases, and AI-powered solutions, from requirements gathering through implementation and maintenance.

Promoted from Software Development Intern to Junior Software Developer within 6 months, contributing to production projects and the modernization of legacy applications.

Professional focus on Backend Development, Software Architecture, Artificial Intelligence, and Automation.

TECHNICAL SKILLS

- **Languages:** C#, TypeScript, SQL
- **Front-end:** Next.js, React, Angular, HTML, CSS, Tailwind CSS
- **Back-end and Cloud:** ASP.NET Core, .NET, REST APIs, Entity Framework Core, FastAPI, Docker
- **Databases:** SQL Server, PostgreSQL, MySQL, MariaDB
- **DevOps and Tools:** Git, GitHub, Docker, Postman, Visual Studio, VS Code
- **Architecture and Engineering:** REST APIs, MVC, Clean Architecture, Entity Framework, Stored Procedures, System Integrations

PROFESSIONAL EXPERIENCE

Junior Software Developer | ACTi Tecnologia e Sistemas de Informação

Mar 2026 - Present

- Develop and maintain ERP systems and web/mobile applications using C#, .NET, ASP.NET Core, Next.js, Angular, and SQL Server.
- Implement REST APIs, system integrations, and process automations, reducing manual activities and improving the reliability of operational workflows.
- Develop features related to service orders, billing, inventory, operational entries, and tax integrations, working from business-rule analysis through implementation and validation.
- Contribute to the modernization of legacy applications by integrating new technologies and architectural approaches into the existing ecosystem.

EDUCATION

Multiplatform Software Development - Associate Degree in Technology

Fatec Jacareí | 2025 - 2027

Systems Development - Technical Degree

Etec | 2023 - 2024

LANGUAGES

- Portuguese: Native
- English: Intermediate

AVAILABILITY

Remote, hybrid, or on-site.
