PROFESSIONAL SUMMARY

Junior C# Software Engineer focused on back-end development: building REST APIs (ASP.NET Core Web API) and enterprise web systems with C#, .NET, Entity Framework Core, SQL Server and PostgreSQL.
Experience with ERP systems, system integrations, process automation and AI-based solutions, from requirements gathering to implementation and maintenance. Web front-end with Next.js, React and Angular consuming C# APIs. Promoted from Intern to Junior Developer in 6 months, working on real-world projects and legacy application modernization. Focus on C#/.NET Back-end, REST APIs, Software Architecture, AI and Automation.

TECHNICAL SKILLS

- Languages: C#, SQL (T-SQL), TypeScript
- Back-end: C#, .NET, ASP.NET Core, ASP.NET Core Web API, REST APIs, Entity Framework Core, LINQ, FastAPI
- Architecture and Engineering: Clean Architecture, MVC, Stored Procedures, System Integrations
- Web / Front-end: Next.js, React, Angular, HTML, CSS, Tailwind CSS
- Databases: SQL Server, PostgreSQL, MySQL, MariaDB
- DevOps and Tools: Git, GitHub, Docker, Postman, Visual Studio, VS Code

PROFESSIONAL EXPERIENCE

Junior Software Developer | ACTi Tecnologia e Sistemas de Informação

Mar/2026 – Present

- Developed and maintained ERP systems in C#, .NET and ASP.NET Core, with web/mobile applications in Next.js and Angular integrated with the APIs and SQL Server.
- Implemented REST APIs in C# and ASP.NET Core for system integrations and process automation, reducing manual work and increasing the reliability of operational workflows.
- Built features for service orders, billing, inventory, time tracking and tax integrations, from business rule analysis to implementation and validation, with data access via Entity Framework Core, SQL Server and Stored Procedures.
- Worked on legacy application modernization, integrating C#, .NET and new architectures into the existing ecosystem.

EDUCATION

Multiplatform Software Development - Associate Degree (Tecnólogo)

Fatec Jacareí | 2025 - 2027

Systems Development - Technical Diploma

Etec | 2023 - 2024

LANGUAGES

- Portuguese: Native
- English: Intermediate

AVAILABILITY

Remote, hybrid or on-site.
